I hear the sound of all creation groaning
For the revealing of the sons of God
I can hear the sound of nations crying
How long until You come?
And I know this present suffering is
For a moment, it's not worth comparing
To the glory You've prepared for us
On the day when You come

So we set our hope on what we cannot see

CH: G D | A x2

Bm D/A | G D/F# | Em | A

No longer will You hear
just the groans of creation
But every tribe and tongue
singing heaven's song
From the rising to the setting sun
We sing: "Glory to the Righteous One"

One day You'll shake the nations
One day You'll split the skies
One day we'll hear the footsteps
Of Him who is to come
One day we'll stand in glory
Before the throne of God
The King of heaven will reign
In all the earth
