## BRIDGE

Who is this  
Coming out from the wilderness  
His robe stained red, He is mighty to save  
Who comes with  
Vengeance and with redemption  
With righteousness, His pow'r is displayed  
Who is this  
In the midst of the lamp stands  
Beginning and end, He is the Amen  
Who is this  
In the midst of the throne  
The Lamb who leads me, He is coming back home
