We will be a witness
To the ends of the earth
We will tell of Your greatness
And Your matchless worth

PRE CHORUS

2m 1 | 5/7 | 6m 5 | 4

We're longing for the day
Every nation will proclaim
That You are God
Until we see You face to face
'til You establish rule and reign
We will say

CHORUS

4 | 5 | 3m7 | 6m

Let every tribe, every tongue
Lift their voices as one
Singing, "Worthy is the Lamb"
We will go in Your name
For Your glory and fame
Singing, "Worthy is the Lamb"

VERSE 2

1 | 5/7 | 6m 5 | 4

There's a new song rising
From the ends of the earth
And in the darkest places
We declare Your worth

BRIDGE

4 | 5 | 3m7 | 6m

Standing on the sea of glass
Before the throne, before the Lamb
Hear creation crying, "Worthy"
You were faithful unto death
You have loved us to the end
Hear Your people singing, "Worthy"
